Re: Expedited Freedom of Information Act Request

Dear Mr. Hardy and Mr. Krebs:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the implementing regulations of your agency, 28 C.F.R. Part 16, American Oversight makes the following request for records.

Recent public reports indicate that the investigation regarding President Trump's potential violation of campaign finance laws conducted by the U.S. Attorney's Office for the Southern District of New York has been concluded.¹ Despite the recent practice of the Department of Justice (DOJ) providing information about its decisions not to charge the subjects of high-profile investigations, DOJ has not provided any public information regarding its decision to close this investigation into potential crimes committed by the president.²

Requested Records

American Oversight seeks expedited review of this request for the reasons identified below and requests that DOJ and FBI produce the following records as soon as practicable, and at least within twenty business days:

¹ See Ben Protess et al., *Investigation into Trump Campaign Violations Is Over, Judge Says*, N.Y. TIMES, July 17, 2019, <https://www.nytimes.com/2019/07/17/nyregion/michael-cohen-trump-investigation.html>.

² Jim Mustian, *Why No Hush-Money Charges Against Trump? Feds Are Silent*, AP, July 19, 2019, <https://www.apnews.com/0543a381b39a42d09c27567274477983>.

1. All FBI form 302s reflecting the content of all interviews conducted as a part of the government's investigation of potential campaign finance violations committed by President Trump, the Trump Organization, Michael Cohen, or others representing President Trump or the Trump Organization, as well as any investigation of other potential violations related to that investigation (including, for example, obstruction of justice). Specifically, this request seeks 302s from the investigation(s) that a Southern District of New York court acknowledged had been concluded, at least in part, in its July 17, 2019 Opinion and Order in *United States v. Cohen*, Case No. 18cr602 (S.D.N.Y.), ECF No. 47.
2. All other records intended to summarize, memorialize, or record witness interviews or witness statements collected or used in the investigation(s) described in Item 1, including written proffers, written summaries of oral proffers, transcripts or recordings of any witness interviews or statements, and any other record summarizing, memorializing, or reproducing the content of witness interviews or statements collected or used in connection with the above-described investigation.

Please provide all responsive records from September 1, 2016, through the date the search is conducted.

Fee Waiver Request

In accordance with 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, American Oversight requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is "in the public interest because it is likely to contribute significantly to public understanding of operations or activities of the government."³ The public has a significant interest in DOJ's investigation of potential crimes committed by the president and information gained from that investigation. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the federal government, including whether DOJ conducted a thorough investigation of potential criminal activity by the highest-ranking official in the executive branch. American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

³ 5 U.S.C. § 552(a)(4)(A)(iii).

This request is primarily and fundamentally for non-commercial purposes.⁴ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.⁵

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through numerous substantive analyses posted to its website.⁶ Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records related to an ethics waiver received by a senior Department of Justice attorney and an analysis of what those records demonstrated regarding the Department's process for issuing such waivers;⁷ posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the administration's proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;⁸ posting records regarding potential self-dealing at the Department of Housing & Urban Development and related analysis;⁹ posting records and analysis relating to the federal

government's efforts to sell nuclear technology to Saudi Arabia;¹⁰ posting records and analysis regarding the Department of Justice's decision in response to demands from Congress to direct a U.S. Attorney to undertake a wide-ranging review and make recommendations regarding criminal investigations relating to the President's political opponents and allegations of misconduct by the Department of Justice itself and the Federal Bureau of Investigation.¹¹

Accordingly, American Oversight qualifies for a fee waiver.

Application for Expedited Processing

Pursuant to 5 U.S.C. § 552(a)(6)(E)(1) and 28 C.F.R. § 16.5(e)(1)(iv), American Oversight requests that your agency expedite the processing of this request.

I certify to be true and correct to the best of my knowledge and belief that there is widespread and exceptional media interest and there exist possible questions concerning the government's integrity, which affect public confidence.

There is widespread and exceptional media interest in understanding the conduct of and facts gathered by DOJ's investigation of the president's potential commission of campaign finance violations.¹² The subject matter of this request also concerns possible questions concerning the government's integrity. In particular, the fact that the president's former attorney is serving a multi-year sentence in prison in part for his role in making payments to women who accused the president of extramarital affairs before the 2016 presidential election has given rise to public concerns that DOJ has not pursued criminal charges against the president because of his position of power rather than the absence of evidence

of his guilt.¹³ The U.S. House of Representatives Committee on Oversight and Reform has expressed similar concerns. In particular, the Committee has asked whether DOJ failed to pursue criminal charges due to an opinion that the president cannot be prosecuted while in office, and the Committee further requested documents underlying the investigation.¹⁴

Moreover, I certify to be true and correct to the best of my knowledge and belief that there exist possible questions concerning the government's integrity regarding the conduct of the investigation into the president's potential criminal activity, and the decision to conclude the investigation without filing charges.

I further certify that American Oversight is primarily engaged in disseminating information to the public. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. Similar to other organizations that have been found to satisfy the criteria necessary to qualify for expedition,¹⁵ American Oversight "gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw material into a distinct work, and distributes that work to an audience."¹⁶ American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, and other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.¹⁷ As discussed previously, American Oversight has demonstrated its commitment to the public disclosure of documents and creation of editorial content.¹⁸

Accordingly, American Oversight's request satisfies the criteria for expedition.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms "record," "document," and "information" in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as

<https://www.americanoversight.org/document/doj-civil-division-response-noel-francisco-compliance>; *Francisco & the Travel Ban: What We Learned from the DOJ Documents*, AMERICAN OVERSIGHT, <https://www.americanoversight.org/francisco-the-travel-ban-what-we-learned-from-the-doj-documents>; *Audit the Wall*, AMERICAN OVERSIGHT, <https://www.americanoversight.org/investigation/audit-the-wall>; *Border Wall Investigation Report: No Plans, No Funding, No Timeline, No Wall*, AMERICAN OVERSIGHT, <https://www.americanoversight.org/border-wall-investigation-report-no-plans-no-funding-no-timeline-no-wall>; *Documents Reveal Ben Carson Jr.'s Attempts to Use His Influence at HUD to Help His Business*, AMERICAN OVERSIGHT, <https://www.americanoversight.org/documents-reveal-ben-carson-jr-s-attempts-to-use-his-influence-at-hud-to-help-his-business>; *Investigating the Trump Administration's Efforts to Sell Nuclear Technology to Saudi Arabia*, AMERICAN OVERSIGHT, <https://www.americanoversight.org/investigating-the-trump-administrations-efforts-to-sell-nuclear-technology-to-saudi-arabia>; *Sessions' Letter Shows DOJ Acted On Trump's Authoritarian Demand to Investigate Clinton*, AMERICAN OVERSIGHT, <https://www.americanoversight.org/sessions-letter>.

personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Federal Records Act and FOIA.¹⁹ It is not adequate to rely on policies and procedures that require officials to move such information to official systems within a certain period of time; American Oversight has a right to records contained in those files even if material has not yet been moved to official systems or if officials have, by intent or through negligence, failed to meet their obligations.²⁰

- Please use all tools available to your agency to conduct a complete and efficient search for potentially responsive records. Agencies are subject to government-wide requirements to manage agency information electronically,²¹ and many agencies have adopted the National Archives and Records Administration (NARA) Capstone program, or similar policies. These systems provide options for searching emails and other electronic records in a manner that is reasonably likely to be more complete than just searching individual custodian files. For example, a custodian may have deleted a responsive email from his or her email program, but your agency's archiving tools may capture that email under Capstone. At the same time, custodian searches are still necessary; agencies may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
